WHERE: The University of Chicago, Biological Life Sciences Building, 924 East 57th Street, Room 109, Chicago

REGISTER IN ORACLE UNDER COURSE TITLE, “EVIDENCE-BASED PRACTICE”

RSVP: by Friday September 5, 2014

LEARNING OBJECTIVES
1. Identify three benefits of integrating evidence-based practice into the organizational infrastructure.
2. Describe the steps of the Iowa Model of Evidence-Based Practice to Promote Quality Care.
3. Describe how to develop a search strategy using relevant keywords and controlled vocabulary in order to effectively search databases.
4. Determine key implementation strategies for EBP.

Criteria for Successful Completion: Attendance for the entire program and completion of the evaluation tool at the end of the program.

This CNE activity is being offered for 4 contact hours.

Conflict of Interest Disclosure: This educational activity is being presented without the provision of commercial support and without bias or conflict interest from the planners and faculty.

The University of Chicago Medicine Department of Nursing (OH-355, 7/1/2016) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001091), an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
